DHA Plan	Category A	Description
Network	NAS GN	-
Annual Policy Limit	AED 1,000,000	- Annual aggregate monetary limit, for the total of all eligible claims paid for each insured person per policy term.
Pre-existing & Chronic Conditions	Covered (Subject to providing a Continuity of Coverage (CoC) Certificate in the UAE without which the limit is AED 150,000)	- Pre-existing conditions refer to any illness, injury, or health issue diagnosed, treated, or showing symptoms before the policy start date. - Chronic conditions are long-term or persistent health issues. - Chronic conditions that are not pre-existing at the start of coverage — meaning they first arise or are diagnosed within the first 365 days — will be subject to this sublimit during that period. After this, they will be covered up to the Annual Policy Limit. Any obligation to declare major conditions remains in place.
Area of Cover	Worldwide excluding USA & Canada	- The countries and/or region/s where the policy provides coverage for medical treatment, services and provisions as specified in the policy.
In-Network (Direct-Billing)	100% of Incurred Costs	- Direct-Billing means insured persons can visit providers in their Network and the payment of eligible expenses will be taken care of directly by the Insurer, so there is no requirement to pay-and-claim from their own pocket and be reimbursed later. - Any sub-limits, outpatient deductibles and/or coinsurance are still applicable.
Out-of-Network (Pay-and-Claim)	80% of Incurred Costs (up to a maximum of 100% of Applicable UAE Network Rates)	- Pay-and-Claim (or Reimbursement) means insured persons must pay for medical and dental treatment, services and/or provisions from their own pocket, then later seek to be reimbursed. - UAE Network Rate refers to the highest tariff applicable within your specific direct-billing network for similar treatments and services. - Claims for costs incurred outside the network must submitted within 90 days from the settlement date of the claim. - Any sub-limits, outpatient deductibles and/or coinsurance are still applicable.
Emergencies	**In the UAE:** Paid in Full **Outside the UAE:**	- Emergency: A sudden, unforeseen and severe medical condition or injury that requires urgent medical assistance. Emergency medical Treatment will only be covered up to the point where the Physician in charge of the Insured Person's

	100% of Incurred Costs (up to a maximum of 100% of Applicable UAE Network Rates)	Treatment advises their condition has stabilised. - Not subject to any sub-limits, outpatient deductibles and/or coinsurance.
Inpatient & Day Patient		
Coinsurance	0%	- The percentage (capped) of the total Inpatient or Day-Patient costs incurred that are payable by the insured person.
Room Type	Private	- Room and board.
Intensive Care Unit(ICU)	Covered	- A specialised hospital unit providing continuous monitoring and advanced medical care for critically ill or severely injured patients.
Practitioner Fees	Covered	- Doctor, specialist, consultant, surgeon, anaesthetist and nurse fees.
Treatments & Surgeries	Covered	- Including operating theatre and anaesthetist costs.
Internal Prothesis, Surgical Appliances and Materials	Covered	- Required as part of surgery or treatment.
Reconstructive Surgery	Covered	- To restore physiological function after a disfiguring illness of injury that occurred while insured without interuption with this insurer.
Pharmacy	Covered	- Prescribed medicines and dressings.
Diagnostics	Covered	- Laboratory, radiology and pathology.
Parental Accommodation	AED 500 per night	- For one parent or guardian accompanying an insured child up to 18 years of age.
Accompanying Person Accommodation	AED 500 per night	- In the same room, in case of critical conditions and as per recommendation of attending physician.
Outpatient		
Deductible (Physical Consultations)	20% Co-insurance up to a maximum of AED 50	- For a doctor, specialist or consultant visits. - Not charged for follow-up visits with the same physician and condition within 7 days.
Deductible (Virtual/Telehealth Consultations)	Covered (with no deductible) Earn cash value rewards for using this service through the Wellx Mobile App	- Service provided by TruDoc and availble through the Wellx Mobile App. - Free pharmacy deliveries, including for prescription medicines.
Procedures & Treatments	Covered	- Minor surgeries, pain management injections, wound care, etc.
Diagnostics	Covered with 0% Co-insurance	- Laboratory, radiology and pathology. - Any stated capping of the maximum

		Coinsurance payable refers to each encounter/visit.
Pharmacy	Covered with 0% Coinsurance	- Prescribed medicines and dressings. - Out-of-Network Reimbursement deductions are not applicable.
Physiotherapy (post-hospitalisation)	10 Sessions	- Covered if directly linked to a surgery or inpatient stay and prescribed by the treating physician, and if commencing within 21 days of leaving the hospital.
Physiotherapy	15 Sessions	- Only prescribed sessions (independent of any eligble post-hopitalisation sessions as per the above benefit).
Maternity & Newborn		
Outpatient Coinsurance	10% co-insurance	- The percentage of the total outpatient maternity costs incurred that is payable by the insured person.
Ante-natal	8 Visits and 3 Ultrasounds	- Visits mean Consultations with an Obstetrican/Doctor.
Delivery	15,000 with 10% Coinsurance	- Normal or Medically Necessary C-Sections. - Includes Related Complications and Medically Necessary Terminations.
Emergency Complications	Covered	- Life-threatening to the mother or child.
Newborn Cover	Covered	- Coverage for the first 30 days under the mother's policy with the same benefits as the mother. The newborn can start with his or her own insurance cover from the 30th day after birth, subject to underwriting of any pre-existing conditions.
DHA Mandatory Benefits		
Cancer Screening	Covered	- Mammograms, Pap Smear and Colorectal Screening for high risk individuals as per the DHA's Patient Support Program (PSP).
Diabetes Screening	Covered	- Every 3 years from age 30. - High risk individuals annually from 18 years old.
Hepatitis B & C Virus Screening and Treatment	Covered	- As per DHA's Patient Support Program (PSP).
Essential Vaccines & Inoculations	Covered	- For newborns and children up to 6 years of age. - As per the DHA list of covered vaccines.
Influenza Vaccine	Covered	- Once a year.
Pneumococcal Vaccine	Covered	- As per DHA Adult Pneumococcal Vaccination guidelines.

Shingrix Vaccine	Covered	- From 50 years old (or from 18 years old if immunocompromised). - 2 doses (2 - 6 months apart) once per lifetime.
Hearing and Vision Emergencies	Covered	- Aids and vision correction by surgeries and laser.
Dental Emergencies	Covered	- For dental and gum treatments In a hospital or dental clinic within 72 hours of accidental injury.
Mental Health Emergencies	Covered	- Up to the point of stabilisation.
Additional Benefits & Further Elaboration **This section provides greater clarity and does not change any Coinsurance amounts that may be payable (Eg HRT medication that could be subject to Pharmacy Coinsurance, etc)**		
Ambulance	Covered	- Local transportation by an official emergency service, to an appropriate local hospital for emergencies.
Chronic Conditions	Covered	- Subject to any declaration requirements at inception and when adding new members to the policy.
Hereditary Conditions	Covered	- Subject to any declaration requirements at inception and when adding new members to the policy.
Congenital Conditions (For AUH Plan -Birth defects and congenital conditions is covered 100% up to the annual limit for adults and life-threatening cases for newborns. Covered within UAE only)	AED 20,000	- Congenital conditions are medical abnormalities present at birth (whether detected at birth or later). - The limit is per lifetime.
Second Medical Opinion	Covered	- Insured persons are permitted to visit another doctor for advice on an already diagnosed condition or recommended treatment. - Telehealth thru TruDoc is recommended.
Cancer	Covered	- For all types of cancer. - Treatments include surgery, radiation therapy, chemotherapy and immunotherapy (not subject to any pharmacy sublimits or any Coinsurance). - Wigs are not covered.
Organ & Tissue Transplants	AED 100,000	- Including but not limited to kidney, liver, heart, lung, bone marrow and cornea transplants.Coverage typically includes: - Pre-transplant evaluations and testing. - Hospitalisation and surgical costs for the transplant procedure. - Immunosuppressive medications and post-transplant care (not subject to any pharmacy sublimits or coinsurance). - Follow-up treatments and monitoring. - Donor and organ acquistion costs are not covered.

Kidney Conditions & Dialysis	AED 60,000	- Diagnosis, treatment, and management of kidney-related conditions, including chronic kidney disease (CKD) and end-stage renal disease (ESRD). - Outpatient, inpatient or day-patient dialysis, including hemodialysis and peritoneal dialysis. - Related prescription medications are not subject to any pharmacy sublimits or any coinsurance.
Maxillofacial Surgery	Covered	- Specialised surgery focused on treating conditions, injuries, and defects of the face, jaw, mouth and neck. - Not for cosmetic and orthodontic purposes.
